Item 5. Interests of Named Experts and Counsel.

The validity of the securities which may be issued by the Company pursuant to the Plans will be passed upon for the Company by Bruce Schindler, Head of General Corporate Law and Associate General Counsel of Brighthouse Services, LLC ("Brighthouse Services"), who has acted as counsel for the Company. Mr. Schindler is paid a salary by Brighthouse Services, is a participant in various employee benefit plans offered by the Company and its affiliates to employees generally, is paid equity-based compensation in accordance with the compensation programs of the Company and its affiliates, and owns shares of the Company's Common Stock.

Item 6. Indemnification of Directors and Officers.

Section 102(b)(7) of the General Corporation Law of the State of Delaware (the "DGCL") permits a Delaware corporation to include a provision in its certificate of incorporation eliminating or limiting the personal liability of directors to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. This provision, however, may not eliminate or limit a director's liability (1) for breach of the director's duty of loyalty to the corporation or its stockholders, (2) for acts or omissions not in good faith or involving intentional misconduct or a knowing violation of law, (3) under Section 174 of the DGCL, or (4) for any transaction from which the director derived an improper personal benefit. The Company's Amended and Restated Certificate of Incorporation contains such a provision.

Section 145(a) of the DGCL provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful.

Section 145(b) of the DGCL provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a

judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Delaware Court of Chancery or such other court shall deem proper.

Section 145(c) of the DGCL provides that to the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (a) and (b) of Section 145 of the DGCL, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

Section 145(e) of the DGCL permits a Delaware corporation to advance litigation expenses, including attorneys' fees, incurred by present and former directors and officers prior to the final disposition of the relevant proceedings. The advancement of expenses to a present director or officer is conditioned upon receipt of an undertaking by or on behalf of such director or officer to repay the advancement if it is ultimately determined that such director or officer is not entitled to be indemnified by the corporation. Advancement to former officers and directors may be conditioned upon such terms and conditions, if any, as the corporation may deem appropriate.

Section 145(g) of the DGCL specifically allows a Delaware corporation to purchase liability insurance on behalf of its directors and officers and to insure against potential liability of such directors and officers regardless of whether the corporation would have the power to indemnify such directors and officers under Section 145 of the DGCL.

The Company's Amended and Restated Certificate of Incorporation and the Company's Amended and Restated Bylaws authorize the Company to indemnify its directors and officers to the fullest extent permitted by law.

The foregoing summaries are necessarily subject to the complete text of the DGCL and the Company's Amended and Restated Certificate of Incorporation and the Company's Amended and Restated Bylaws.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in this registration statement;provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Subject to the provisions of Sections 5.7 and 9.4, the number of shares of Common Stock that may be issued under the Plan shall not exceed 11,977,310 shares, which represents ten (10%) of the shares of Common Stock outstanding on a fully diluted basis as of the Effective Date. The Plan Administrator may determine whether and, if so, how fractional shares will be included in the determination of the shares subject to each grant of Options. If on a given Date of Exercise, the number of shares to be exercised exceeds the number of shares then available under the Plan pursuant to Section 5.1, the Plan Administrator shall make a pro rata allocation of the share remaining available to Participants in as uniform a manner as shall be practicable and as it shall determine to be equitable.

5.3 Participation. An Employee who meets the requirements in Section 4 may participate in the Plan under this Section 5 by completing enrollment in the form or manner prescribed by the Plan Administrator, and by satisfying such other conditions or restrictions as the Plan Administrator shall establish. The Employees who elect to participate in the Plan shall at the time of such election authorize a payroll deduction from the Employee's Compensation to be made as of any future payroll period. Any election to authorize payroll deductions shall be effective on such date as the Plan Administrator may determine after the date of completion of enrollment in the manner prescribed by the Plan Administrator. The Participant's enrollment and rate of Payroll Contribution selected by the Participant shall remain in effect for subsequent Offering Periods unless the Participant submits a change to the Participant's rate of Payroll Contribution in accordance with Section 6.1, withdraws from the Plan in accordance with Section 6.2 or otherwise becomes ineligible to participate in the Plan.

5.4 Participant Contributions. Unless the Plan Administrator shall establish a higher or lower maximum rate of contribution, Payroll Contributions may not exceed the lesser of \$21,750.00 or 50% of a Participant's Compensation. Payroll Contributions are held as general assets of the Company or any Participating Subsidiary until the Date of Exercise and will not earn any interest. A Tracking Account shall be established for each Participant which will show the Participant (i) the total amount of any Payroll Contributions and Cash Contributions, if any, and (ii) the number of full shares of Common Stock that are purchased by such Participant pursuant to the terms of the Plan. A Participant may authorize Payroll Contributions in terms of whole percentages of Compensation (or on such other basis and subject to such limits as the Plan Administrator may establish), up to a limit the Plan Administrator may determine. To the extent permitted by the Plan Administrator, a Participant who has made Payroll Contributions may also deliver to the Custodian one or more Cash Contributions, each of which shall be for a minimum of \$100 (or such greater amount or lesser amount as the Plan Administrator shall determine), by personal check or other cash equivalent acceptable to the Custodian, *provided, however*, that no Cash Contribution shall be permitted at any time if such Cash Contribution shall cause the Plan to fail to meet the requirements of Section 423 of the Code. For any given calendar year in which any Option granted to an Employee is outstanding at any time, the total Payroll Contributions and Cash Contributions that a Participant may make to his or her Tracking Account in such calendar year may not exceed \$21,250 (or such other lesser amount as may be determined by the Plan Administrator) for purposes of purchasing Common Stock covered by the Options under the Plan. Except as provided in Section 5.8, if a Participant has a Terminating Event, (i) such Participant may not make further Payroll Contributions or Cash Contributions and (ii) his or her outstanding Options shall terminate and any amount of cash then shown in his or her Tracking Account shall be returned to the Employee.

5.5 Exercise of Options. Unless a Participant requests a withdrawal of the amounts shown in the Participant's Tracking Account prior to a Date of Exercise (subject to notice requirements established by the Plan Administrator), the cash balance on each such Date of Exercise shall be used to exercise Options to the extent that such balance is sufficient to purchase whole shares at the Option Price. The Plan Administrator may determine whether and, if so, how fractional shares may be purchased in the exercise of Options.

5.6 Option Price. Except as provided in Section 5.8, the Option Price per share of Common Stock (the "Option Price") to be paid by each Participant on each exercise of the Participant's Option shall be an amount equal to eighty-five percent (85%) (or such greater percentage as the Committee or the Plan Administrator may authorize) of the Fair Market Value of a share of Common Stock on the Date of Grant or, if so specified by the Plan Administrator prior to the Date of Grant, the lesser of (i) eighty-five percent 85% (or such greater percentage as the Committee or the Plan Administrator may authorize) of the Fair Market Value of a share of Common Stock on the Date of Grant or (ii) eighty-five percent 85% (or such greater percentage as the Committee or Plan Administrator may authorize) of the Fair Market Value of a share of Common Stock on the Date of Exercise.

5.7 Canceled, Terminated or Forfeited Options. Any shares of Common Stock subject to an Option, which for any reason is canceled, terminated or otherwise settled without the issuance of any Common Stock, shall again be available for Options under the Plan.

5.8 Change in Employment Status Due to Death or Disability. Unless provided otherwise by the Plan Administrator in its sole discretion, upon a Terminating Event resulting from the Participant's death or permanent disability (as defined under the Code), the Participant's beneficiary (as determined pursuant to Section 9.3) or the permanently disabled Participant, as the case may be, shall be deemed to have elected to withdraw all of the cash and Common Stock credited to such deceased or disabled Participant's Tracking Account under the Plan and to cease all future contributions.

5.9 Foreign Employees. Notwithstanding anything to the contrary herein, the Plan Administrator, to conform with provisions of local laws and regulations in foreign countries in which the Company or its Participating Subsidiaries operate, shall have sole discretion to (a) modify the terms and conditions of Options granted to Employees employed outside the United States, so long as such modifications do not enhance the benefits provided hereunder; (b) establish sub-plans with modified exercise procedures and such other modifications as may be necessary or advisable under the circumstances presented by local laws and regulations; and (c) take any action which it deems advisable to obtain, comply with or otherwise reflect any necessary governmental regulatory procedures, exemptions or approvals with respect to the Plan or any sub-plan established hereunder. To the extent that an Employee is principally employed outside the United States and paid in a currency other than U.S. dollars, the Plan Administrator shall adopt uniform procedures for the conversion of Payroll Contributions and Cash Contributions into U.S. dollar equivalents for the purpose of exercising Options.

SECTION 6

DEDUCTION CHANGES; PLAN WITHDRAWALS

6.1 Deduction Changes. Once a Participant has authorized Payroll Contributions for an Offering Period, the Participant may change the selected rate of Payroll Contributions by written notice to the Plan Administrator within fifteen (15) days (or such greater or lesser period as the Plan Administrator shall specify) prior to the Date of Exercise; *provided that*, the Plan Administrator may determine that a Participant may not increase the level of Payroll Contributions authorized for any Offering Period. Any such change shall be given effect as soon as administratively practicable after the date such notice is received. Unless the Plan Administrator otherwise determines, if a Participant ceases to make Payroll Contributions during an Offering Period at any time prior to a Terminating Event, any cash balance then held for the benefit of that Participant and shown in that Participant's Tracking Account shall automatically be distributed to such Participant as soon as practical after the effective date of such cessation; *provided that*: (a) the Company has a reasonable time period between the Terminating Event and/or the Participant's cessation of Payroll Contributions and the Date of Exercise to refund such cash. If, in the discretion of the Plan Administrator, such reasonable time frame does not exist, then the cash will be used to purchase Common Stock as agreed when the Participant enrolled in the Plan, and (b) if a Participant is on an Approved Leave, the Participant may suspend contributions during such leave, so long as the Participant recommences such contributions immediately upon return to work.

6.2 Withdrawals During Employment. A Participant may at any time (subject to such notice requirements as the Plan Administrator may prescribe and the required holding period for the Common Stock), and for any reason, cease participation in the Plan and withdraw all or any portion of the Common Stock and cash, if any, shown in his Tracking Account pursuant to Section 8. Additionally, unless the Plan Administrator shall otherwise determine on a uniform basis for all similarly situated persons or for all persons performing services in a particular jurisdiction or business unit, if the principal place of service for any Participant is transferred from one country to another country, the Participant shall be deemed to have ceased participation in the Plan and withdrawn all or any portion of the Common Stock and cash, if any, in his Tracking Account pursuant to Section 8. Following any cessation of participation pursuant to this Section 6.2, an Employee may thereafter recommence participation on the date the Plan Administrator shall determine following completion of a new enrollment pursuant to Section 5.3.

SECTION 7

EVIDENCE OF SHARE OWNERSHIP

Unless and until distributed to a Participant (i) at the Participant's request, (ii) at the discretion of the Plan Administrator or (iii) in connection with the Participant's Terminating Event, all shares of Common Stock acquired pursuant to the Plan shall be held by the Custodian. While maintained by a Custodian, all shares of Common Stock shall be registered in book entry form and/or held in the name of the Custodian or its nominee, or in street name. The Company shall cause shares of Common Stock to be registered in the name of a Participant who is to receive a distribution of shares pursuant to Section 8 as soon as practical following the event giving rise to such distribution under such Section 8. Unless, and solely to the extent that, the Plan Administrator shall adopt procedures to permit exceptions to this requirement, shares of Common Stock issued under the Plan may be registered only in the name of the Participant. Notwithstanding the foregoing, the Company shall cause shares of Common Stock to be registered in the name of a Participant upon such Participant's request to the Plan Administrator as soon as practical following such request. To facilitate the administration of the Plan, the Plan Administrator may require shares of Common Stock acquired pursuant to the Plan (other than any shares that have been withdrawn from the custodial arrangements at the request of the Participant) to be held by any Custodian or any other qualifying institution (including, without limitation, a registered broker-dealer) performing comparable administrative functions with respect to the shares issued or issuable pursuant to the Plan designated by the Plan Administrator at any time and from time to time. As a condition to participation in the Plan, each Participant shall be deemed to have consented to, and to have authorized the Plan Administrator to take or direct, any action required to implement or otherwise effect any direction of the Plan Administrator as to the manner in which shares issued under the Plan are to be held.

SECTION 8

WITHDRAWALS AND DISTRIBUTIONS

All or a portion of the Common Stock allocated to a Participant's Tracking Account may be withdrawn by a Participant subject to the holding requirements of Section 9.2. Upon a Terminating Event, a termination of the Plan under Section 9.5 or, if required under Section 6.2, upon the transfer of the principal place of services of a Participant to another country, all amounts and Common Stock held for the benefit of any affected Participant shall be distributed to such Participant. Any withdrawal or other distribution shall be made in the form of cash or Common Stock, at the election of the Participant, subject to the restrictions forth in Section 9.2. To the extent a withdrawal or distribution of a Participant's Common Stock is made in the form of cash, the Participant shall receive an amount per share equal to the proceeds received from the sale of such shares net of the Participant's allocable share of any related brokerage fees, other expenses incurred in connection with the sale of such shares and any applicable tax withholding deemed necessary in the discretion of the Plan Administrator. All fractional shares shall be paid in cash based on the average sale price of such shares sold on behalf of Participants on the day of such sales.

SECTION 9

MISCELLANEOUS PROVISIONS

9.1 Withholding. The Company or a Subsidiary shall have the right and power to deduct from all payments or distributions hereunder, or require a Participant to remit promptly upon notification of the amount due, an amount (which may include shares of Common Stock) to satisfy any federal, state, local or foreign taxes or other obligations required by law to be withheld with respect thereto with respect to any Option of shares of Common Stock. The Company may defer delivery of Common Stock until such withholding requirements are satisfied. The Plan Administrator may, in its discretion have a number of whole (or, at the discretion of the Plan Administrator, whole and fractional) shares of Common Stock otherwise issuable under the Plan withheld and liquidated in an amount that, considering their Fair Market Value on the date immediately preceding the date of exercise, is a sufficient number, but not more than is required, to satisfy the withholding tax obligations.

9.2 Rights Not Transferable; Restrictions on Sale. No Option granted under the Plan may be alienated, including but not limited to sold, transferred, pledged, assigned, or otherwise hypothecated, other than by will or by the laws of descent and distribution, and any attempt to alienate in violation of this Section 9.2 shall be null and void. Options are exercisable during the Participant's lifetime only by the Participant. Shares of Common Stock received upon the exercise of Options under the Plan shall not be transferable by a Participant for a period of 1 year immediately following the Date of Exercise, or such longer or shorter period as the Plan Administrator shall determine with respect to any Offering Period.

9.3 Designation of Beneficiary. At the sole discretion of the Plan Administrator, the Plan Administrator may permit each Participant to file a written designation of a beneficiary who is to receive any Common Stock and/or cash following such Participant's death. Each designation made hereunder will revoke all prior designations by the same Participant with respect to all Options previously granted (including, solely for purposes of this Plan, any deemed designation prescribed by rules established by the Plan Administrator), shall be in a form and submitted in a manner prescribed by the Plan Administrator, and will be effective only when received by the Plan Administrator in writing (or electronic equivalent recognized by the Plan Administrator) during the Participant's lifetime. In the absence of any such effective designation (including a deemed designation), benefits remaining unpaid at the Participant's death shall be paid to or exercised by the Participant's surviving spouse, if any, or otherwise to or by the Participant's estate. Upon the death of a Participant and upon receipt by the Plan Administrator of proof of identity and existence at the Participant's death of a beneficiary validly designated by the Participant under the Plan, the Plan Administrator shall deliver such Common Stock and/or cash to such beneficiary. No beneficiary shall, prior to the death of the Participant by whom the beneficiary has been designated, acquire any interest in the Common Stock or cash credited to a Participant under the Plan.

9.4 Adjustments Due to Change in Capitalization. In the event of any stock dividend or stock split, recapitalization (including, but not limited to, the payment of an extraordinary dividend to the shareholders of the Company), merger, consolidation, combination, spin off, distribution of assets to shareholders (other than ordinary cash dividends), exchange of shares, or other similar corporate change or diluting event, as determined by the Plan Administrator, (i) Common Stock credited to each Participant's Tracking Account shall be adjusted in the same manner as all other outstanding shares of Common Stock in connection with such event, (ii) the Committee shall determine the kind of shares which may be acquired under the Plan after such event, and (iii) the aggregate number of shares of Common Stock available for grant under Section 5.1 or subject to outstanding Options and the respective exercise prices applicable to outstanding Options shall be appropriately adjusted by the Committee, in such manner as the Committee shall determine, and the determination of the Committee shall be conclusive. Except as otherwise determined by the Committee, a merger or a similar reorganization which the Company does not survive, a liquidation or distribution of the assets of the Company, or a sale of all or substantially all of the assets of the Company, shall cause the Plan to terminate and all Common Stock and cash, if any, in the Tracking Accounts of Participants shall be distributed to each Participant pursuant to Section 8 as soon as practical unless any surviving entity agrees to assume the obligations hereunder.

9.5 Amendment of the Plan. The Plan Administrator may, at any time, amend, modify, suspend, or terminate this Plan, in whole or in part, without notice to or the consent of any Participant to the extent permissible under applicable law and any applicable collective bargaining agreement; *provided, however,* that any amendment which would (i) increase the number of shares available for issuance under the Plan, (ii) lower the minimum exercise price at which an Option may be granted, (iii) change the individual Option limits, (iv) alter the class of companies whose employees are eligible to participate in the Plan under Section 5, or (v) would require shareholder action under any relevant law or any applicable

requirement of any exchange on which the Common Stock is listed to trade, shall be subject to the approval of the Committee and the Company's shareholders, but in each of (i) through (iv) above, only to the extent such shareholder action is required by applicable law, regulation or rule. The Committee shall have discretionary authority to designate, from time to time, without approval of the Company's shareholders, those Subsidiaries that shall be Participating Subsidiaries. No amendment, modification, or termination of the Plan shall in any manner adversely affect the previously accrued rights of any Participant under the Plan with respect to any Offering Period then in progress or previously completed without the consent of the Participant, except that upon a termination of the Plan the Offering Period may be ended and unexercised Options may be cancelled. The Plan shall terminate at any time at the discretion of the Committee or its delegate. Upon termination of the Plan, all Common Stock and cash, if any, in the Tracking Accounts of Participants shall be distributed to each Participant pursuant to Section 8 as soon as practical thereafter.

9.6 Requirements of Law. The granting of Options and the issuance of shares of Common Stock shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

9.7 Custodial Arrangement. All Common Stock allocated to a Participant under the Plan shall be held by the Custodian. Nothing contained in the Plan, and no action taken pursuant to the Plan, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and its officers or the Committee or the Plan Administrator or the Custodian, on the one hand, and any Participant, the Company or any other person or entity, on the other hand.

9.8 No Right to Continued Employment. The existence of the Plan shall not be deemed to constitute a contract of employment between the Company or any Subsidiary or any other affiliate and any Employee, nor shall it constitute a right to remain in the employ of the Company or any Subsidiary or any other affiliate. The terms or existence of this Plan, as in effect at any time or from time to time, or any Option granted under the Plan, shall not confer upon any Employee any right to continue in the employ of the Company or any Subsidiary or any other affiliate of the Company.

9.9 No Limitation on Compensation; Scope of Liabilities. Nothing in the Plan shall be construed to limit the right of the Company to establish other plans if and to the extent permitted by applicable law. The liability of the Company, any Subsidiary or any other affiliate under this Plan is limited to the obligations expressly set forth in the Plan, and no term or provision of this Plan may be construed to impose any further or additional duties, obligations, or costs on the Company, any Subsidiary or any other affiliate thereof or the Committee not expressly set forth in the Plan.

9.10 No Constraint on Corporate Action. Except as provided in Section 9.5, nothing contained in this Plan shall be construed to prevent the Company, any Subsidiary or any other affiliate, from taking any corporate action (including, but not limited to, the Company's right or power to make adjustments, reclassifications, reorganizations or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets) which is deemed by it to be appropriate, or in

its best interest, whether or not such action would have an adverse effect on this Plan, or any Options granted under this Plan. No Participant, employee (including each Employee), beneficiary, or other person, shall have any claim against the Company, any Subsidiary, or any of its other affiliates, as a result of any such action.

9.11 Securities Law Compliance. Instruments evidencing Options may contain such other provisions, not inconsistent with the Plan, as the Committee deems advisable, including a requirement that the Participant represent to the Company in writing, when an Option is granted or when the Participant receives shares with respect to such Option (or at such other time as the Committee deems appropriate) that the Participant is accepting such Option, or receiving or acquiring such shares (unless they are then covered by an effective Securities Act of 1933 registration statement), for the Participant's own account for investment only and with no present intention to transfer, sell or otherwise dispose of such shares except such disposition by a legal representative as shall be required by will or the laws of any jurisdiction in winding up the estate of the Participant. Such shares shall be transferable, or may be sold or otherwise disposed of only if the proposed transfer, sale or other disposition shall be permissible pursuant to the Plan and if, in the opinion of counsel satisfactory to the Company, such transfer, sale or other disposition at such time will be in compliance with applicable securities laws.

9.12 No Impact on Benefits. Except as may otherwise be specifically provided for under any employee benefit plan, policy or program provision to the contrary, Options and any amounts received in respect thereof shall not be treated as compensation for purposes of calculating an Employee's rights, benefits or accruals under any benefit plan, policy or program.

9.13 Term of Plan. The Plan shall be effective upon the Effective Date. The Plan shall terminate on the earlier of (i) January 1, 2020, (ii) the termination of the Plan pursuant to Section 9.5, or (iii) when no more shares are available for issuance of Options under the Plan.

9.14 Governing Law. The Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the State of Delaware, without regard to principles of conflict of laws.

9.15 Captions. The headings and captions appearing herein are inserted only as a matter of convenience. They do not define, limit, construe, or describe the scope or intent of the provisions of the Plan.
